

Immunization Changes for 2010-2011 School Year

Starting next year the **new required immunizations** for students are:

All **PreK and KG** students need **2 doses of varicella** (chickenpox vaccine) given on or after the 1st birthday and separated by 3 months or a history of the disease **documented by their doctor** in writing stating the month and year of the disease.

All **6th graders** need: **2 doses of varicella**

1 dose of Tdap given after the 10th birthday

1 dose of meningococcal conjugate Vaccine (MCV4)

All **KG** students will need one of the required doses of polio vaccine given on or after the 4th birthday and at least 6 months after the previous dose.

Parents with students in PreK and 5th grade can start thinking about getting these immunizations now. Please call your doctor's office or Health Dept (379-1555) for an appointment. Please send your child's updated immunization record to the nurse's office.

If you have any questions concerning these changes please contact Mrs. Riddle at 526-5448 ext 131.
