

To: Members of the Class of 2019

From: John Green, Assistant Principal

Date: April, 2019

Congratulations! You are in your last nine weeks of your high school career! I'm writing you to update and remind you of several important senior activities and obligations as we close out the school year. Your last quarter of your senior year will go very quickly and it is important that you keep in tune to senior-related information. Please check the **Graduation 2019 webpage** that is located on the main North High School webpage for updates. We will post messages on the BULL DOG NEWS NETWORK. Also, we use Remind.com texting service to give you the opportunity to receive messages regarding Senior activities! Use the information on the right to participate in this service:

Below are some initial reminders for you to review:

1. Please make sure you continue to excel in the classroom during the last nine weeks. We find that a few seniors each year have difficulty maintaining focus, and as a result, their timely graduation is placed in jeopardy. Again, by staying focused, your "end of the race efforts" will pay off with a wonderful graduation.
2. Also, make sure that you have either completed or soon will complete your senior project obligations. The last day for **Senior Obligations** is **Friday, May 17, 2019**. Remember that to graduate from North High School each student must pass his/her senior project. If you have any questions, please contact **Mrs. Hester** immediately. Also, make sure your **BCSC laptop, charger, and bag** are in good working order. Please go to the CNHS Tech Center for needed repairs **before mid-April!**
3. A significant majority of you have placed orders with our graduation materials partner Herff Jones. If you have not done so, please contact **TJ Perry, our Herff Jones Representative, at the following number (317) 839-1600.**
4. SENIOR GRADUATION MATERIALS: TJ Perry will be back to pass out senior materials and your cap and gown on **Thursday, April 25, 2019. Please note if you need assistance obtaining a cap and gown due to financial reasons, see your counselor.** At the same time we will issue graduation name cards that are used to develop the marching, graduation, and obligation lists. The name you write down is the name that goes on your diploma, so think before you write. :)
5. **As of this date** the senior practice will be **(May 29, 2019) the Wednesday before graduation.** We will start at **7:45 AM in Memorial Gym.**
6. I will soon meet with the senior class officers to develop end of the year activities including the senior T-shirt, senior breakfast, and the actual graduation ceremony.
7. During the first week of May you will receive a letter regarding the Graduation 2019 activities from Mr. Clark. (**Graduation is Saturday, June 1, 2019 at 1:00 PM**)
8. Sometime in the month of May you will receive information from the **Bull Dog Alumni Association.** After you graduate you will receive an initial free membership to the Alumni Association.
