

INTERNET ESSENTIALS HOME PROGRAM

Comcast's INTERNET ESSENTIALS HOME PROGRAM now will provide low-cost, home internet service for families that qualify. The program was initiated to ensure that all students have the Internet access they need to complete homework assignments and other school projects.

Families that qualify pay \$9.95/month and receive **free** Internet training. Comcast will also make low-cost computers available. Get connected today!

To request an application, please call 855-846-8376.
